PRESTIGIOUS COBIS CERTIFICATION : A SIGNIFICANT MILESTONE

The Council of British International Schools (COBIS), headquartered in London, (UK) is a globally recognised organisation, that supports high-quality international schools and promotes excellence in education. The COBIS certification is awarded only to those schools which demonstrate that their educational practices, leadership, safeguarding, student well-being, inclusion, and overall school operations meet internationally recognised standards of quality and excellence. The COBIS assessment process for certification involves extensive meetings, rigorous evaluation, self-reflection, professional dialogue, and external validation, enabling schools to measure their practices against internationally recognised standards and identify opportunities for continuous improvement. The COBIS assessment for our school was conducted over a period of six months, from January to June 2026.

We are immensely proud to share that Sun Valley International School has successfully achieved COBIS Certification after completing the comprehensive CASP Assessment, becoming one of the FIRST FEW CBSE affiliated schools to attain this prestigious international recognition. Successfully attaining this certification therefore reflects the school's ability to benchmark its practices against intensive global standards and demonstrate a sustained commitment to continuous improvement.

This remarkable achievement has further strengthened Sun Valley International School's position among leading schools and marks a proud moment in our endeavour to provide an educational experience that is both nationally rooted and internationally benchmarked.

A special word of appreciation and congratulations goes to our Director, Shri Anant Gupta, our Principal, Dr. Preeti Goel, and the dedicated team of Mrs. Meenakshi Prasad (Primary Coordinator), Mrs. Vandana Saxena, and Mrs. Bindu Verma. Their commitment, perseverance, collaborative spirit, and meticulous efforts played a vital role in making this prestigious achievement possible.
