Mother's Day Celebration

Kanjivaram at Apple Blossom was not just a celebration, but a beautiful coming together of culture, community, and cherished memories. The school transformed into a vibrant South Indian-inspired setting filled with colours, music, laughter, and the graceful spirit of togetherness.

Our wonderful mothers arrived draped in stunning traditional attire, bringing alive the timeless elegance of Kanjivaram. From joyful dance performances and engaging activities to candid moments shared between mothers, teachers, and children, every corner reflected warmth and celebration. The evening beautifully blended tradition with fun, creating memories that will remain close to our hearts for years to come.

The event was a true reflection of Apple Blossom's belief in celebrating not only learning but also relationships, culture, and the joy of belonging. Watching our mothers participate so enthusiastically, cheer for one another, and immerse themselves in the experience made the celebration truly special. A heartfelt thank you to all the mothers for making the evening so graceful and memorable, and to our dedicated team for curating the event with such thoughtfulness and love.

Road & Safety Awareness Session

ROAD SAFETY AWARENESS PROGRAM

As part of our ongoing commitment towards real-world learning and child safety awareness, Apple Blossom conducted an engaging and interactive Road Safety Awareness Program for our young learners.

The session introduced children to important road safety concepts through demonstrations, role play, visual cues, and experiential learning activities. From understanding traffic lights and pedestrian behaviour to recognising the importance of caution and responsibility on roads, children actively participated with great enthusiasm and curiosity.

Screen Addiction Awareness Session

In today's rapidly evolving digital world, helping children develop a healthy relationship with screens has become more important than ever. Keeping this in mind, Apple Blossom conducted an engaging and insightful Screen Addiction Awareness Session for children and educators.

SCREEN ADDICTION AWARENESS SESSION

The session focused on creating awareness about balanced screen usage, healthy daily routines, mindful habits, and the importance of outdoor play, conversations, creativity, and real-world experiences in early childhood. Through interactive discussions, role play, demonstrations, and relatable real-life situations, participants explored how excessive screen exposure can impact attention span, sleep, physical activity, communication, and emotional well-being.
