## Labour Day at Apple Blossom School – 1<sup>st</sup> May'26

Apple Blossom School celebrated Labour Day by honouring our everyday heroes. Children from Pre-Nursery to grade 1 made heartfelt thank-you cards for class didis, guard bhaiya, gardener, and cook didi. Using handprints, drawings, and bright colours, they expressed gratitude for the helpers who keep our school clean, safe, and green. Each child personally handed over their card with a smile and a thank you. Through this activity, kids learned the dignity of labour and the joy of kindness. They understood that respecting helpers and not making a mess is part of our Earth Legacy, making our school and Earth better together.

## Mother's Day at Apple Blossom School – 9<sup>th</sup> May'26

Mother's Day at Apple Blossom School was celebrated with music, joy, and heartfelt moments under the theme "Gaata Rahe Mera Dil."  Our wonderful mothers had a truly blessed evening—singing their hearts out and dancing to beautiful melodies. The excitement continued with a lively Antakshari featuring fun rounds like Suroon Ka Safar, Sun Saiba Sun, Acting Ka Tadka, Gaane Mein Chhupa Cinema, and Scene Se Superstar.

It was a magical evening filled with laughter, music, and togetherness—where every mother created memories to cherish forever.

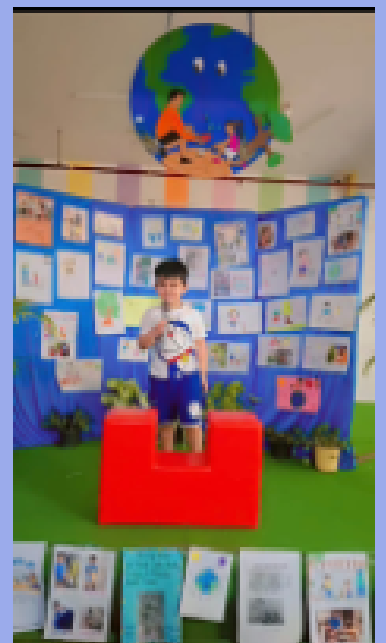

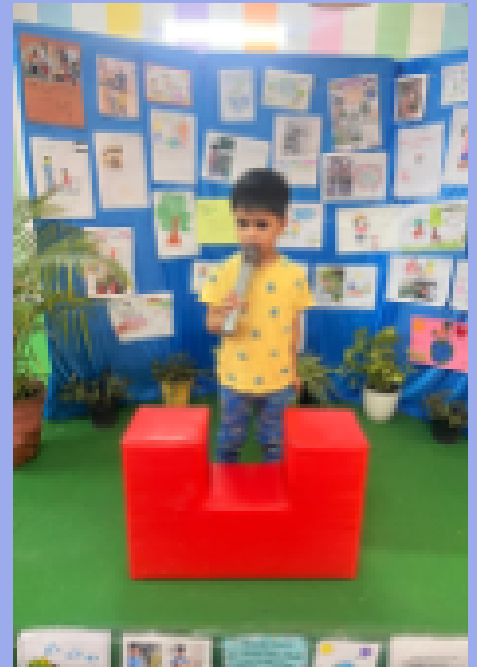

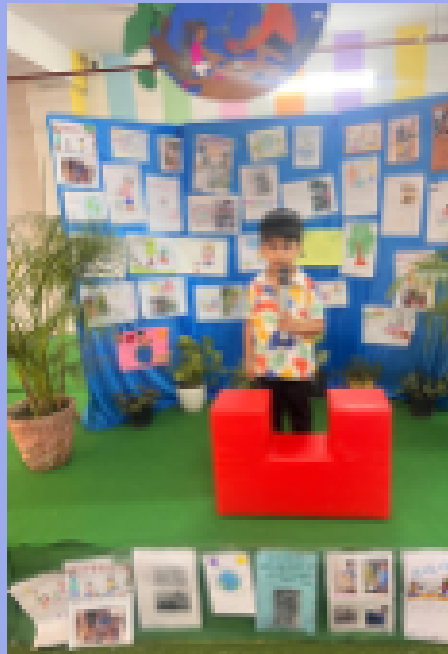

## My Earth, My Family Pledge - 12<sup>th</sup> May'26

As part of our theme "My Family Lives on Earth," children participated in a wonderful Family Green Activity at home. Families came together to take small green pledges such as saving water, keeping surroundings clean, and caring for plants. The children confidently represented their promises and pledges on stage, showing great enthusiasm and confidence. It was heartwarming to see our little learners understanding the importance of caring for Earth through simple family habits. With the guidance and support at school and home, our little learners are growing into responsible, caring, and Earth-loving children.
