Teej Celebrations at Apple Blossom School

Apple Blossom School celebrated Teej with great joy and greenery. The campus was filled with the spirit of Sawan, music, colours, and laughter.

Children enjoyed rainy play, water play, rain art, nature crafts, rangoli making, music, dance, and fun games in traditional attire.

Teachers, parents, and students participated with great enthusiasm, making it a memorable celebration of culture, creativity, and haryali.

Little Learners Explored

Rainy play

Nature crafts

Rangoli fun

Music & dance

11 AUGUST

Mountain Day Celebration

Our little learners celebrated Mountain Day with great excitement and enthusiasm.

Children explored different types of mountains and learnt the importance of caring for the Earth through discussion, observation, and story.

They created their own mountains using soil, Lego, wooden blocks, cups, cut-outs, and sticks, building creativity, imagination, and fine-motor skills.

Little Learners Explored

Mountain types

Story time

Hands-on making

Earth care

13 AUGUST

Independence Day Celebration

The Independence Celebration at Apple Blossom School was a joyful blend of freedom, learning, and togetherness.

Senior children guided their junior friends while children explored practical life activities like pouring, buttoning, folding, screwing, and zip-unzip work.

The children also learnt about freedom fighters, enjoyed a tricolour scavenger hunt, and created a Chain of Independence to express gratitude.

Little Learners Explored

Helping hands

Practical life

Tricolour hunt

Confidence

26 AUGUST

Junior KG Assembly - From Roots to Roars

It was a joyful showcase of young talent.

The children performed with confidence, presenting a beautiful song on the journey of a seed growing into a plant and a lively dance to a jungle song.

Through their performances, they shared a meaningful message about caring for nature and becoming responsible individuals from an early age.

Little Learners Explored

Song & dance

Stage confidence

Nature message

Expression

27 AUGUST

Raksha Bandhan Celebration

Nature Ties the First Rakhi

At Apple Blossom, Rakhi was celebrated with a unique and meaningful story session - Bandhan: Nature Ties the First Rakhi.

The children explored how the five forces of nature work together to protect and nurture our Earth and discovered the beautiful bond between nature and life.

The celebration reminded us that just as a rakhi symbolises love, care, and protection, nature too protects and nurtures us every day.

Little Learners Explored
