

Grandparents Day

Grandparents Day at Ghoomar Village was a heartwarming celebration filled with love, laughter, and togetherness. The vibrant cultural setting provided the perfect backdrop to honor the wisdom and affection of our beloved grandparents. Children welcomed them with smiles and special performances, while grandparents enjoyed the rustic charm and traditional hospitality of the village. The event created precious memories as stories, songs, and shared experiences bridged generations. It was a day of gratitude and joy, reminding us of the irreplaceable role grandparents play in nurturing families. The celebration truly reflected respect, tradition, and the timeless bond between young and old.

The celebration at Ghoomar Village beautifully blended tradition with warmth, making it a truly memorable occasion. Grandparents participated in engaging activities, enjoyed cultural performances, and relished authentic village-style delicacies, all while being surrounded by their grandchildren's love. The vibrant atmosphere highlighted the values of respect and family bonding, creating moments that will be cherished for years to come. Through laughter, stories, and shared experiences, the event not only honored grandparents but also strengthened the connection between generations. It was a heartfelt tribute to the guiding lights of families who continue to inspire with their love and wisdom.

Dots Day Celebration

Apple Blossom celebrated Dots Day with great enthusiasm, turning a simple dot into a world of creativity and imagination. The children explored how one small dot can spark endless possibilities, just like their own ideas and dreams.

Through dot painting, art activities, and storytelling sessions, our little learners discovered how dots can transform into flowers, animals, patterns, and magical designs. The highlight was a collaborative mural, where each child added their unique dot to create a vibrant artwork symbolizing unity, confidence, and the joy of learning together.

The celebration encouraged children to express themselves freely, work as a team, and see beauty in small beginnings. Dots Day reminded us that every child's contribution, no matter how small, is valuable and can grow into something truly extraordinary.

गुरुकुल हरितम्

हिंदी दिवस पर गुरुकुल हरितम् एप्पल ब्लॉसम में हिंदी दिवस को बड़े हर्षोल्लास के साथ मनाया गया। इस अवसर पर विशेष अनुभव गुरुकुल हरितम् के माध्यम से बच्चों और अभिभावकों को प्राचीन भारत की शिक्षा-पद्धति की झलक दिखाई गई, जहाँ सादगी, प्रकृति और ज्ञान ही शिक्षा के आधार थे। बच्चों ने गीत, कविताएँ और छोटी प्रस्तुतियाँ पेश कीं, जिनसे उन्होंने हिंदी भाषा के प्रति अपना गर्व और आत्मविश्वास व्यक्त किया। विद्यालय का वातावरण एक गुरुकुल की तरह सजाया गया, जिससे बच्चों ने प्रकृति के साथ जुड़कर सामूहिक रूप से सीखने का आनंद लिया। इस आयोजन ने अभिभावकों को यह अनुभव कराया कि हिंदी केवल भाषा नहीं, बल्कि हमारी संस्कृति, परंपरा और मूल्यों से जोड़ने वाला सेतु है। गुरुकुल हरितम् ने हिंदी दिवस को केवल एक उत्सव नहीं, बल्कि विरासत की ओर लौटने की एक सुंदर यात्रा बना दिया।

Celebrating Engineering Day

At Apple Blossom, Engineering Day was not just about building structures but about celebrating the spirit of curiosity, creativity, and problem-solving. The central lawn was transformed into an open-ended play space where children freely explored blocks, loose parts, and everyday materials.

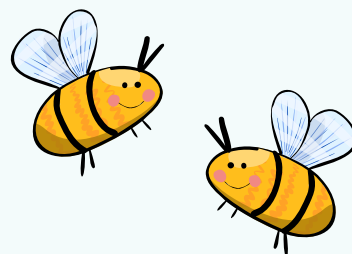

Without instructions or fixed outcomes, the little engineers imagined, experimented, and collaborated—creating towers, bridges, pathways, and even inventions of their own. Teachers encouraged children to wonder aloud, to test, to rebuild, and to reflect on what worked and what didn't.

The day highlighted the joy of discovery and the value of trial and error. Each attempt—successful or not—became a stepping stone for new learning. Engineering Day reminded us that in the early years, true engineering is about free thinking, resilience, and the belief that every child can shape their own ideas into reality.

Bugs Team Story & Dance Enactment – Parent Peek Day

On 24th September, our Bugs Team captivated parents with a vibrant story-dance performance. Children brought to life the fascinating world of insects—ladybirds, butterflies, bees, and ants—through expressive movements and simple narration. Each character showcased qualities like teamwork, transformation, and resilience, blending storytelling with music and rhythm. The enactment highlighted how creative expression builds confidence, language, and collaboration while deepening respect for nature's smallest creatures. The performance concluded with a joyful group dance, celebrating harmony in the natural world, leaving parents delighted and proud.

The Euphoria of Twirls – Dandiya Fest at DPSSL was a vibrant celebration of culture, rhythm, and togetherness for our Apple Blossom students and families. The children, dressed in colorful traditional attire, lit up the stage with their joyful performances and lively dance moves. Mothers joined in with equal enthusiasm, creating a spirited atmosphere filled with laughter, music, and unity. The well-curated décor, warm hospitality, and seamless coordination by the DPSSL team made the evening truly memorable. For Apple Blossom, it was not just an event but a cherished opportunity to celebrate traditions, joy, and community bonds.
