GURUGRAM, HARYANA 122017

2nd August' 25 - 🌟 Apple Blossom Palam Vihar Shines at Premier Kidz Exhibition 🌟

The young learners of Apple Blossom, Palam Vihar proudly showcased their creativity and talents at the Premier Kidz Exhibition, a vibrant platform celebrating talent, innovation, imagination, creativity and learning.

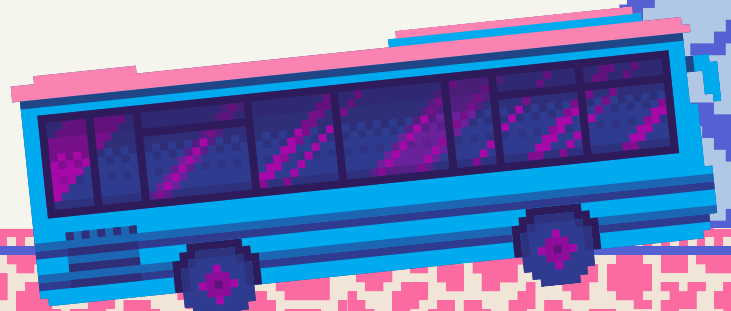

Parents and visitors were delighted to witness the children's performance on the stage. The exhibition became a wonderful opportunity for our little stars to explore, perform, and shine brightly on a larger stage.

🌟 Kudos to our budding talents for making Apple Blossom proud! 🌟

8th August'25 - Rakshabandhan

Our school celebrated Rakshabandhan with great enthusiasm and fervor. The teachers enacted a beautiful story highlighting the importance of Rakhi. They portrayed how sisters tie Rakhi to their brothers, symbolizing their love and prayers for their well-being, and how brothers promise to protect them. The students actively participated in the celebration, watching with interest as the teachers brought the story to life. The celebration concluded with a sense of joy and appreciation for the special bond between siblings.

AUGUST EDITION

13th August'25 - Independence Day Celebration

Our school came alive with patriotic fervor as we celebrated Independence Day with a unique theme: "Old India to New India".

The tiny tots dressed in tricolour attire, showcasing their creativity and love for the country,

learned about India's journey from ancient civilizations to modern-day innovations.

Students explored India's progress in science and technology. Followed by Hand-on activities in which they took part with full enthusiasm.

AUGUST EDITION

14th August'25 - Janmashtami

Our school was filled with joy and devotion as we celebrated Janmashtami. Gentle showers couldn't dampen the children's excitement as they participated in activities inspired by Lord Krishna's life.

Highlights included the Matki Relay Race, Makhan Matki Sensory Play, and Butter Ball Toss celebrating Krishna's love for makhan. Through Let Go and Let Grow, children decorated balloons with positive thoughts, while Krishna's Animal Farm encouraged care for nature and friends. They learnt values through the Right vs. Wrong Sorting Game and ended with Peaceful Mind Time, a calming meditation for little Krishna.

Our Junior KG students as part of their Assembly put up a delightful play on the teachings of Lord Krishna. They also brought to life the story of little Krishna bravely defeating the serpent Kaliya, making the performance both fun and inspiring.

It was a joyful day of fun, learning, and devotion, truly reflecting the spirit of Janmashtami.

AUGUST EDITION

20th August'25 - Ganesh Chaturthi

Apple Blossom School celebrated Ganesh Chaturthi with great joy and devotion. The entire school was beautifully decorated, filling the atmosphere with the divine vibes of Lord Ganesha. Children took part in exciting activities that made the celebration even more memorable. They enjoyed a maze game where they guided the modak to Ganesha, played a fun musical mouse and modak game similar to musical chairs, and participated in a colorful modak hunt where they matched and hung modaks on the same colour pictures. Our Ganesha was made of natural soil, and the children were sensitized about the importance of celebrating with eco-friendly idols that do not harm our environment. The program concluded with a lively visarjan performed by the little ones themselves, making the day both spiritual and filled with happiness

AUGUST EDITION

22nd August'25 – Story Time

Our little ones of Senior KG presented an interesting story enactment – “How Flowers Got Their Colours.”

Through this enactment, the children presented the colourful & bounteous rainbow painting the environment bright and brilliant.

The moral of the story was how nature became more cheerful, how colours brought joy to our lives, and how sharing makes the world more beautiful.

30th August'25 – Assembly

The Junior KG Jasmine class had a fantastic time celebrating National Sports Day on August 29th. The event was well-organized and engaging, with various activities that promoted the importance of sports and physical activity. A skit honoring Major Dhyani Chand's life-changing moments.

A mini hockey match showcasing the kids' skills. An energetic drill session. A fun round for parents to reminisce about their childhood.

The event was both entertaining and educational, promoting a love for sports and physical activity among the children (and parents!).
