

School scoop

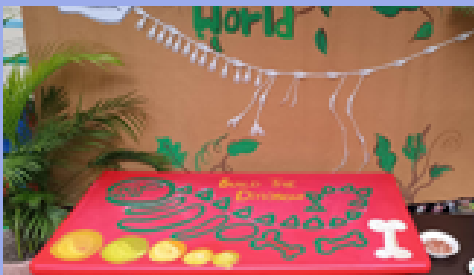

8th October'25 - Dinosaur Day 🦖

The little explorers had an exciting time stepping into "The Dino World"!

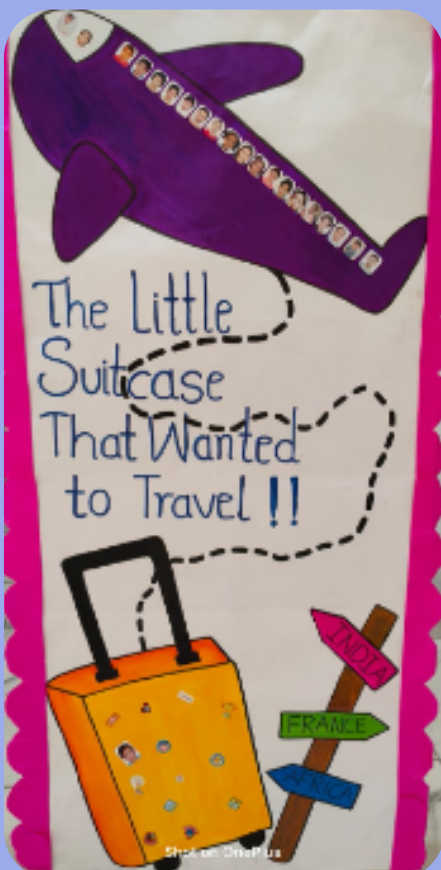

The children built their own dinosaur using colourful cutouts, stones, chickpeas, and kidney beans. Their creativity came alive as they worked together, making the activity both fun and hands-on. It was a wonderful day filled with imagination, learning, and joyful discoveries! 🌱🎨

10th October'25 - Nursery-Rose Class Assembly

To celebrate World Tourism Day our little Appleites presented a delightful assembly on the topic "The Little Suitcase That Wanted to Travel" in a very innovative way where a little suitcase travelled across the world and learnt about different cultures, customs, food and festivals around the world that sparked curiosity and made learning an exciting adventure.

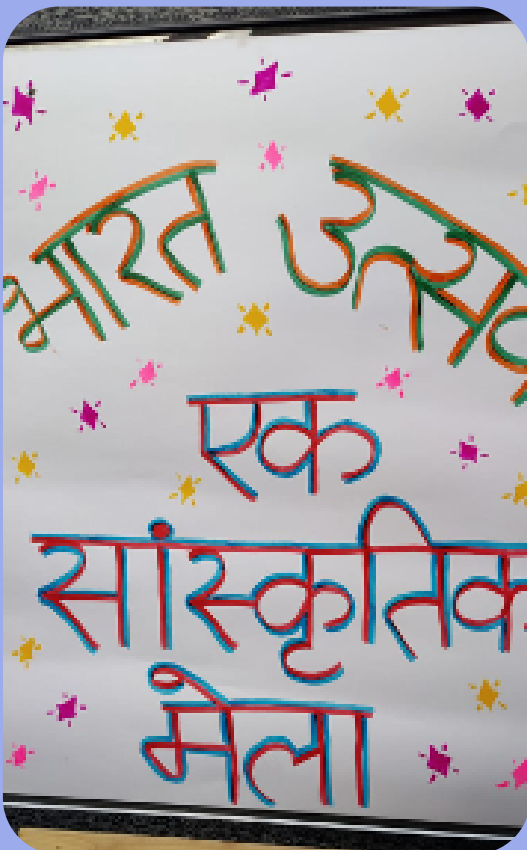

11th October'25 – Diwali Mela

The festive spirit of Diwali came alive at Apple Blossom School as children, parents, and teachers gathered for a joyful Diwali Mela. The event was filled with fun and excitement — thrilling rides brought smiles to every face, while various learning stations engaged children in creative and educational activities. Delicious food stalls added flavor to the celebration, making the atmosphere vibrant and lively. The mela beautifully blended learning with festivity, spreading happiness and togetherness all around.

Diwali Celebration at Apple Blossom School – 17th October'25

Today our school sparkled with festive cheer as students came together to celebrate the joyous festival of Diwali!

The campus was filled with laughter, creativity, and learning as children took part in a variety of exciting hands-on activities, including:

Bubbling and Diya Science Activity – Exploring the fascinating science behind Diwali traditions.

Floating Diyas STEAM Activity – Designing creative, eco-friendly lanterns that lit up with imagination.

Balloon Rocket Launch – Rockets soared high, symbolizing hopes and dreams taking flight.

Rangoli on Water – Expressing artistry and colour through beautiful floating designs.

Symmetry Splash – Discovering patterns and balance through creative exploration.

The students' faces glowed with excitement as they immersed themselves in each activity—laughing, learning, and sharing the festive spirit with friends.

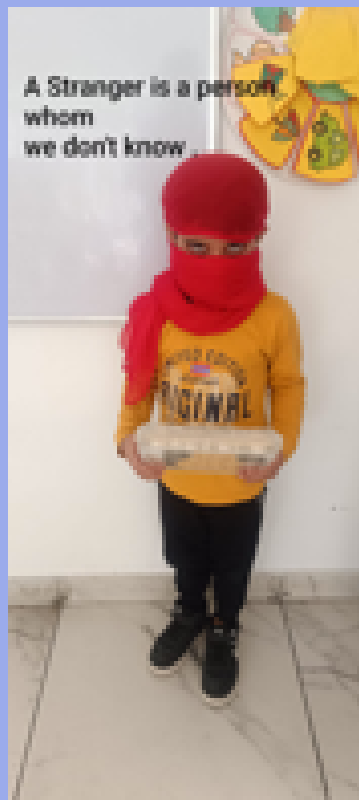

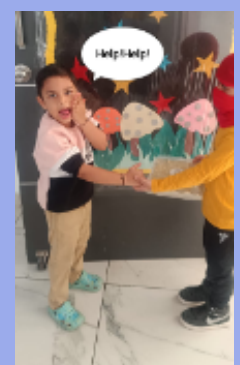

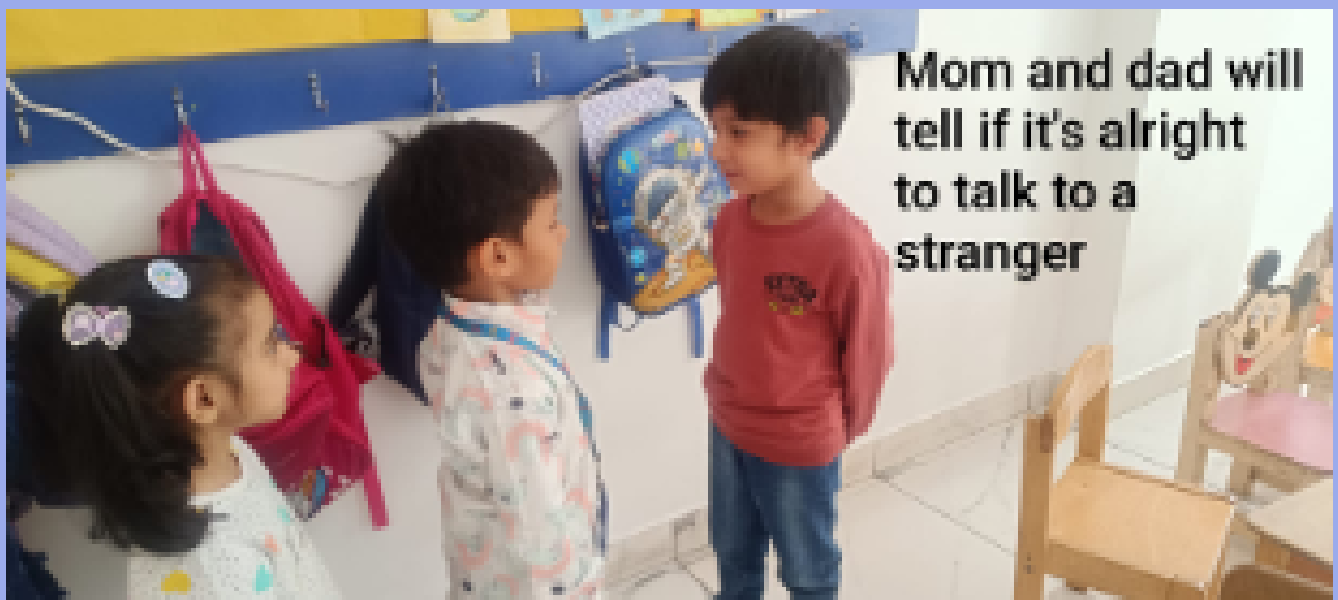

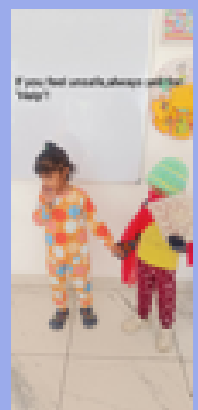

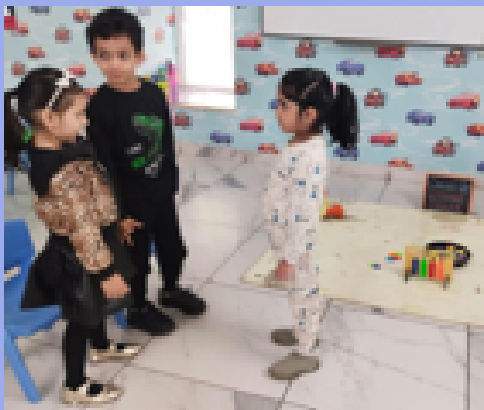

Stranger Danger – 30th October'25

As part of our Unit of Inquiry on Safety, Junior and Senior KG children participated in a “Stranger Danger” role-play activity. During the activity, the students and teachers took on different roles such as parents, children and strangers. Through role-playing, they acted out real-life scenarios—like being approached by a stranger, getting lost in a public place or being offered something unfamiliar. These dramatizations allowed the children to practice safe and responsible responses such as saying “No,” moving away, finding a trusted adult, or calling for help. The main purpose of this activity was to help children understand the importance of staying safe around strangers and to learn how to respond in different situations that may involve potential danger.

Halloween Day – 31st October'25

At Apple Blossom School, Halloween was a spook-tacular success! Kids came dressed in their creepy costumes and enjoyed a range of thrilling activities. They explored the Giggle Smoke Factory, Spider Sling Factory, and Creepy Catch Corner, and participated in the Halloween Potion Hunt and Magic Mirror Room. The Build a Monster Workshop was a huge hit, fostering creativity and imagination. The day was filled with laughter, excitement, and spooky fun, making it an unforgettable Halloween celebration!
