HOLIDAYS HOMEWORK

Nursery 2026-27

Happy Summer Vacation

Dear Parents,

As we enter the summer break, please keep these guidelines in mind:

- Encourage your child to express themselves clearly and confidently.**
- Involve them in age-appropriate chores to build responsibility and independence.**
- Encourage them to assist and care for siblings and elders.**
 - Share captivating picture books at bedtime.**
- Inspire them to turn pages and explore books on their own.**
- Promote balanced nutrition and keep them well-hydrated with water, fresh juices, and coconut water.**

Dear Parents,
As summer vacation begins, we encourage your child's natural curiosity through exploration and play. Please support them with the suggested tasks so they build responsibility and ownership over their learning. A positive atmosphere will foster their independence and growth.

Warm regards,

Dear Children,

Let us learn to be more independent and responsible in our daily routines:

- * Kindly practice buttoning/unbuttoning your dress and zipping/unzipping independently.**
- * Learn how to use a napkin and apron properly at the table and fold them neatly after use.**
- * Help your parents in simple household tasks such as cleaning the car/scooter/bike and setting the table for lunch or dinner.**
- * Develop the habit of cleaning the table after meals.**

*** After playing, make sure to keep your toys back in their proper place.**

*** Engage in colouring, drawing, and scribbling activities regularly to enhance creativity.**

*** Memorise your home address and the phone numbers of your mother and father orally.**

Let's continue learning good habits and becoming responsible little stars every day! 🌟

**Dear Children,
Please continue practicing the
following activities at home to
develop independence, creativity,
and healthy habits:**

- * Learn and practice buttoning/unbuttoning your clothes and zipping/unzipping independently.**
- * Use your napkin and apron properly during mealtime and fold them neatly after use.**
- * Help your parents with simple tasks such as cleaning the car/scooter/bike and setting the table for lunch or dinner.**

- * Make it a habit to clean the table after meals.**
- * Keep your toys back in their proper place after playing.**
- * Enjoy colouring, drawing, and scribbling activities regularly to enhance creativity and imagination.**
- * Learn your home address and your parents' phone numbers orally.**

The following activities are suggested to nurture creativity, imagination, confidence, and scientific temperament in our little learners:

 **Physical Exercise & Yoga**

Begin your day with simple exercises or yoga to stay active, healthy, and energetic.

 **Healthy Fruit Break**

Start your morning with seasonal fruits to build healthy eating habits and stay refreshed.

 **Fine Motor Skills Development**

Encourage activities that strengthen finger muscles and improve grip control for better writing readiness and hand coordination.

Suggested videos for fine motor skill development:

- * Fine Motor Activities for Kids**
- * 5 Simple Fine Motor Skills Activities**
- * 10 Fun Fine Motor Activities for Preschoolers**
- * Fine Motor Freeze Dance Activities**
- * Quick & Easy Fine Motor Activities for Toddlers**

These activities help children improve hand strength, coordination, creativity, and independence in a fun and engaging way.

Dear Parents,

To foster a scientific mindset in our curious explorers, invite them to experiment with ice melting. Freeze small blocks of water and then have them sprinkle salt on top. Watch the magic as the ice melts faster where the salt is applied. Ask them to time it, observe patterns, and discuss why this happens. You can also share the video here:

Cooking Without Fire

Encourage your little chefs to prepare healthy and colourful dishes without using fire. This activity helps develop creativity, confidence, and healthy eating habits.

Suggested Activities

- **Making Healthy sandwiches at Home**

Healthy Sandwich Recipe

Picture Dictionary / Alphabet Reading Book Activity

Dear Parents,

Encourage your child to create a colourful Picture Dictionary or an Alphabet Reading Book using a scrapbook. This fun-filled activity will help enhance vocabulary, letter recognition, creativity, and fine motor skills.

Activity Ideas

- **Dedicate one page to each alphabet letter.**
- **Paste or draw pictures related to the letter (A–Apple, B–Ball, C–Cat, etc.).**
- **Use old magazines, newspapers, stickers, or printed pictures for decoration.**
- **Add colourful borders, thumb prints, or simple craft materials to make the book attractive.**
- **Help your child read the words aloud regularly for better pronunciation and confidence.**

Collect materials for your Art Kit

1 packet of drawing sheet

2 packets of origami sheets

2 fevistics (big)

Moulding dough (set of 4)

Send it in a labelled button folder
