## OUR VISION

---

Curiosity in  
Creativity

Perseverance in  
Values

Dynamism in  
Progress

## OUR MISSION

---

To build on the curiosity of young learners in all academic and non-academic pursuits with the backdrop of the core values of integrity, loyalty, empathy and humility. The focus of the school is on building the essential skills of communication, collaboration, critical thinking, curiosity, creativity and compassion which are essential for progress in this dynamic world.

# DEVYANI JAIPURIA

Chairperson

*“Do not confine your children to your own learning, for they have been born in another time”*

*– Hebrew Proverb*

This is an age where success has transcended the barriers of age, where 20-something techwizards, inventors, entrepreneurs are shaking up the world with their fearless ideas. This is the dynamic world of today. What would the world be like tomorrow, when your children grow up? Will they be ready for this fast-paced ever-changing world? The world of tomorrow belongs to global citizens, the adventurers, the lifelong learners, who don't just come to grips with change but pioneer it. In this globalized world, where boundaries are fast blurring, how do we give our children an education that is relevant, responsive and responsible? Keeping this thought in mind, we have designed a curriculum that goes beyond the confines of classroom walls and prepares young students to face a changing world with a confident smile on their faces.

Imagine a world where children are free to express themselves, discover their innate potential inventiveness and excel. Where confidence, happiness and compassion are the outcomes of every project, where learning happens through an excellently designed curriculum balancing academic rigour with the creative arts, sports and community service, where an everyday focus on life skills is designed to give children an edge in the complex world of the 21st century. This is the world of Dharav High School.

Future-proof education is the need of the hour. A symbol of new generation schooling, Dharav High School is not just about imparting knowledge but also about training young minds to process this knowledge for the betterment of their own self, their environment and the Community they are a part of. The other aspect that is ingrained in the very fabric of education at Dharav High School is strong human values. We believe that education forges an understanding of a rare kind—understanding across cultures and languages, across social chasms, and across time and space.

## ADITI MISRA

Director

---

Creatively curious and striving to experiment and innovate new things on both academic and non-academic fronts, students of the present era demand complete innovative treatment at school. Dharav High School has proved successful in creating a balanced child-centric pedagogy, with emphasis on inquiry and project-based learning. We treasure dynamism and deem that one should be well prepared to adapt to the global scenario and work on his learning accordingly. This is why we have introduced rigorous scholastic programmes, with dance, theatre, music and a variety of sports.

We focus on developing both, the mental and the physical abilities of a student. The activities provide holistic grooming to the students wherein the children are able to explore their true potential. Besides the usual procedural teaching, we persistently upgrade and update our teaching tools and techniques through various workshops and training programmes. From interactive teaching methods to a healthy teacher-student relationship, we work around making studies as effortless as possible.

## SEEMA SEHAJPAL

Principal

---

A child is creative when he looks at things in a different way and has the freedom to express happily, breaking out of the established patterns. At Dharav High School, we ensure happiness for each student through a creative teaching learning process in a joyful ambience. Going beyond the talk and chalk, skill development finds priority, fitting to individual learning styles of the students. Sports, creative space in art, music, dance, well equipped labs and a well-stocked library take centre stage here.

This metamorphosis in the education process has taken place for the new age learners who require to fit in a global scenario. We, with both might and mirth, are the catalyst in providing such forward-looking education. We prepare theme for the life beyond the school, as we know it is like a rough sea of struggle, steeple chases and strife. The strength of character, the skilful constitution and mind developed in the school prepare them to overcome every challenge life poses.

# DHARAV HIGH SCHOOL: NURTURING PIONEERS OF TOMORROW

---

## Affiliation

Dharav High School is fully accredited and is affiliated to CBSE. With commitment to provide all round development of the students, It paves its path to be one of the top CBSE schools with the best facilities for the students. Its unique curriculum equips the children with 21<sup>st</sup> Century life skills, with the expectation that each child will flourish in academics and beyond academics.

## Classrooms

The classrooms where teaching/learning happens in Dharav, reflect every aspect of the school's philosophy. Equipped with digital boards, the air-conditioned classrooms make the physical environment comfortable. We strive to offer a learning atmosphere that is positive and engages students creatively, physically and intellectually.

## Inclusive Education

In order to make the educational journey of differently abled students hassle free, all floors of the building are connected with a ramp and fully-equipped toilets are available. The school also provides individual all-time-aid for the ones who need assistance in movement.

## Medical Service

The infirmary with a qualified doctor and a trained nurse is alert during the school hours. The medical room has all the facilities to treat general fever, body ache, cough & cold. The Medical Room is hygienic and fully air-conditioned and is equipped with patient beds, attendant chair, wheel chair, BP machine, thermometer and first aid medical kit in case of any emergency.

For the emergency, the school has an ambulance equipped with basic amenities always ready in the campus. The school has a tie up with Manipal Hospital which is located at a two minute drive from the school.

# **DHARAV HIGH SCHOOL: SET TO GO BEYOND COMMONPLACE**

---

**What you learn inside the classroom is for life.  
What you experience outside of it shapes your life.**

## **Read, Experiment and Play**

The school has a well-stocked Library, Computer Labs, Activity Rooms, Music, Dance, and Visual Art studios, Science Labs, Mathematics Lab, Amphitheatre, Basketball Court, Pickleball Court and a field to play Football and Cricket.

## **Counselling**

Dharav High School offers a child friendly environment and holds hands of the students to guide them through every step. Counselling is provided to understand and overcome academic, social or behavioural problems of the students through personalized interaction and guidance that helps them develop mentally and emotionally; promotes their participation in the school activities and boosts their confidence.

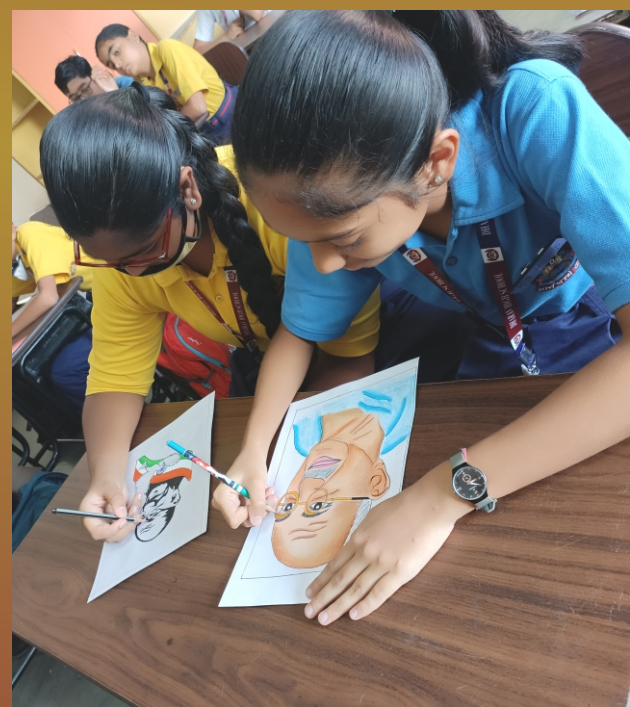

## **Safety and Security**

The school has 24x7 online facility with Wi-Fi network and LAN. The entire school campus is under CCTV surveillance for the safety and security of our students. Every child has an RFID card that makes the whereabouts of the child known to the school authority as well as the parents. It alerts the parents about the child's arrival and departure from school.

## **Transport**

The school safely ferries the students to-and-fro by AC buses covering the entire city. The buses are fitted with GPS tracker to ensure the students' safe travel. There is a CCTV camera in each bus, to double check a child's comfort while being under our care. A teacher in-charge, with a helper, is the first to board on onward journey and the last to deboard on their return.

# BEYOND ACADEMICS: WHEN TRUE POTENTIAL IS IDENTIFIED, DREAMS ARE REALISED

---

## Student Leaders

In the pursuit of creating the statesmen of tomorrow, we encourage students to be a part of the Student Council from Class V onwards, to represent the class and assist the core body. Confidence instilled today shall ensure strong leaders for future.

## Sports

All sports activities at Dharav High School, are aimed at developing passion, grit and firmness making our students both mentally and physically alert. Facility for Basketball, Pickle ball, Cricket, Table Tennis along with other traditional games, is provided here. Yoga sessions and general fitness programmes form the core of physical education. Indoor games like chess and carom add extra shine to our sports curriculum.

## Clubs

The present world needs effective collaborators. After all, strength lies in unity. To broaden the learning horizons and to connect the outside world to the work done by the students in school, the school offers seven clubs to choose from. The clubs are named as Readers' Café, Srijan, Math Magician, Curious Minds, Virasat, Meraki, and Shutterbugs. Each club caters to different interests and hobbies of the young learners.

## Music, Dance and Drama

At all levels of the school, music, dance and drama are incorporated keeping in views the age appropriateness of the activity. At the early stage, from Class Preparatory to Class II, the emphasis is on developing coordination of the senses. Music and dance are integral with every lesson for heightening the joy of learning and for integrating the art forms into academics. Finger movement to eye coordination through dances, understanding of emotions through role-playing in theatre and puppet shows; give students the opportunity to develop their artistic instincts. Indian classical forms are introduced to the students to make them value our roots along with developing a sense of rhythm as well as musical sensibilities. Western music and dance are taught parallelly to enamour the global artistic world. Public speaking exercises help students not only to express themselves confidently but also shape their personas.

## Art & Craft

In this fast-paced modern era where technology reigns, Art and Craft Department teaches graphics and digital art in well-equipped digital laboratory specially made for Art and Music Love for art and designing is encouraged among the students from as early as Pre-Primary classes. The school premises is beautified with creative ideas taken from the students. Students are trained in various art forms like Worli, Madhubani, apart from basic drawing, painting and sketching and different kinds of handicrafts. It incorporates the traditional skills to boost preservation of our heritage like block printing, tie and dye, Indian traditional art and craft, mehndi designing, rangoli art, etc. The art activities are set to push the students towards exploring, wondering and questioning so that they become creative beings.

## Scouts and Guides

Children are enrolled for Scouts and Guides with the objective to create compassion, loyalty, patriotism and thoughtfulness for others. Independence of thought and decisions is encouraged in our students early so that they become creative collaborators to be a part of the progressive society.

## Community Service

Learning to share, to care, to serve the society keeping aside all self-interest are qualities enshrined in the DNA of Dharav High School. The 'Shiksha Kendra' run by the school gives children from the not-so-privileged strata of society the hope and confidence to spread their wings. Through this Kendra, the school strives to engage the students in age-appropriate practical projects to foster community awareness and concern. The 'Joy of Giving Week' is an initiative that spurs students to be kind and generous.

## Environment Warriors

Thinking 'green' is encouraged in the school. Each student becomes an ambassador of sustainable living. To encourage being one with nature, students are given a hands-on gardening experience. The students have their own areas of plants to look after which helps them understand the science and culture of cultivation and appreciate the value of greenery.

## OUR PROMISE

---

We are a school that ensures the combination of Dhara (the Earth) and Ravi (the Sun) to create the best experience for your wards, to extract the best from the child and bring forth the finest in his/her disposition. At Dharav High School, we groom a child's individuality and enable him/her to shine and bloom to the fullest.

# STUDENTS' CORNER

It is said that school is the second home for a child and Dharav High School lives up to these words astonishingly well. I, being a part of this institute for the last 10 years have simply thought of this premises of learning as a place which I belong to Dharav High School has helped me reach my potential to the highest and make me the best version of myself. Like a candle lighting a dark path, the school has always been my guide to move towards the right direction. Words fall short to thank the wonderful teachers who have always acted as the backbone to the school's success. It was only with the help of their support and encouragement that I and all the Dharavites truly feel passionately connected to the school. Desperate times need desperate measures and for this, I commend the online classes facility provided by the school. During Covid-19 quarantine period, when the world was shut, the school maneuvered the learning endeavor exceptionally well. All these things make Dharav High School the perfect hub of learning for any student and I feel immensely proud of it.

**Soham Jain**

**Head –Student Council**

I have been associated with the school for last 10 years and I have only great things to say about my experience. The school has a challenging curriculum and teachers are amazing. They bring out the best in every child by tapping their individual strengths, while creating an environment of kindness, responsibility and leadership. I am so happy to be a part of this wonderful institution.

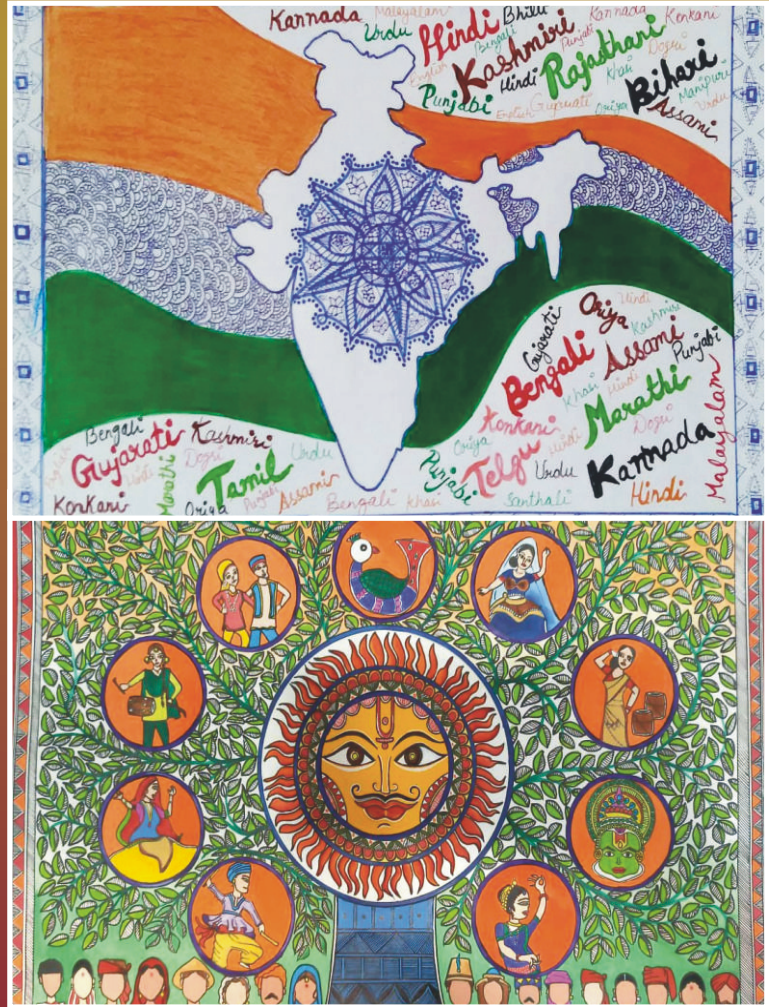

**Akansha Agha**

**Head –Student Council**

## A large, stylized letter 'A' is the central focus, constructed from a dense arrangement of black and white line drawings of various flowers, leaves, and stems. The floral elements include large five-petaled flowers with detailed centers, smaller daisy-like flowers, and clusters of tiny blossoms. The leaves are elongated and pointed, some with prominent veins. The entire composition is set against a light, textured background, creating a high-contrast, artistic effect.
