AUGUST SYNOPSIS

2026-27

परंपरा वंशान् बन्धति

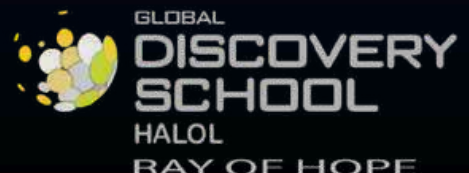

HERITAGE BINDS GENERATIONS

GDS-HALOL firmly believes that education goes beyond textbooks and classrooms. It is about nurturing young minds with values, traditions, and a deep sense of belonging to our rich cultural heritage. Every celebration at GDS-HALOL is thoughtfully designed to provide children with meaningful experiences that help them understand, appreciate, and imbibe the essence of our culture. Whether it is a festival, a national occasion, a cultural programme, or a traditional activity, each celebration becomes an opportunity to learn the values of respect, compassion, unity, gratitude, and harmony. When children participate in these celebrations, they do not merely observe traditions; they experience them, understand their significance, and carry their learnings into everyday life. It is our endeavour to ensure that our students grow not only as confident and capable individuals but also as compassionate human beings, rooted in their values and respectful of the diverse cultural tapestry of our nation. For us, every celebration is not just an event but it is a lesson in life, a connection to our roots, and a step towards shaping responsible citizens of tomorrow.

KIRAN MEWADA

MANAGING DIRECTOR

"Bonne fête nationale!"

GDS-HALOL joyously celebrated the National Day of France with great enthusiasm, offering students a wonderful opportunity to explore the rich cultural heritage, history, and linguistic beauty of France. The celebration was thoughtfully organized by our dedicated French teacher and enthusiastic students, who presented engaging insights and informative activities showcasing the significance of Bastille Day, the values of liberty, equality, and fraternity, and the elegance of the French language and culture. Through these cultural insights, the event brought France closer to every learner. It was heartening to witness the confidence and excitement with which our students embraced the French language. Their active participation reflected not only their growing proficiency but also their genuine love for learning a global language in an enjoyable and meaningful way.

AMAZING

echoes of eternity

As part of the National Youth Day celebrations, GDS-HALOL organised a captivating role play competition, “Echoes of Eternity,” where the glorious pages of Indian history and mythology came alive on stage.

Through powerful portrayals of historical and mythological personalities, the students travelled through different eras, bringing alive the courage, wisdom, sacrifice and ideals that have shaped the Indian civilisation. Each performance beautifully reflected the richness of our heritage, traditions, values and cultural ethos.

The young performers not only showcased their creativity and confidence but also demonstrated how deeply rooted Indian values and culture continue to inspire generations. The stage became a vibrant tapestry of stories from the past, reminding everyone that our history is not merely something to be remembered, it is a legacy to be understood, celebrated and carried forward.

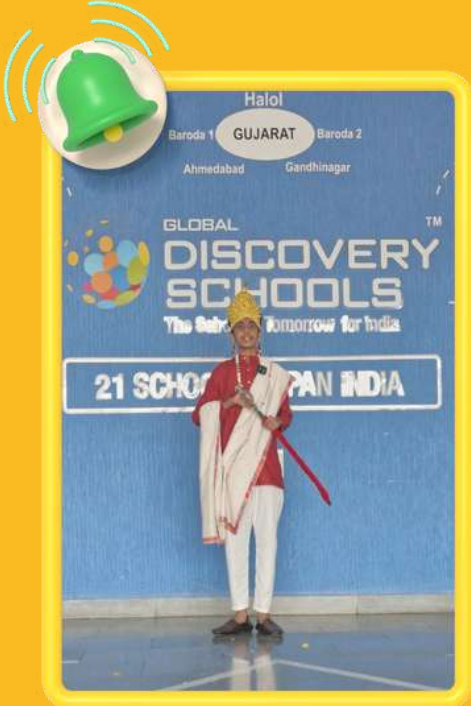

“Echoes of Eternity” was truly a celebration of the timeless spirit of India, where the voices of the past resonated through the enthusiasm and talent of the youth of today.

QUIZ

As part of the SEWA Project initiative, the students of Grade 10 organised an engaging General Knowledge Quiz Competition for the students of Grades 3 and 4. The initiative beautifully blended learning, leadership and community service, giving the senior students an opportunity to share their knowledge and mentor their younger peers.

The quiz was designed to make learning enjoyable and interactive, with questions covering a wide range of areas such as India, the world, science, nature, sports, history and current affairs. The enthusiastic participation of the young learners reflected their curiosity, confidence and eagerness to learn.

The Grade 10 students took responsibility for planning, conducting and coordinating the quiz, demonstrating excellent teamwork, communication skills and leadership qualities. The event created a lively atmosphere of healthy competition while encouraging the younger students to think, recall and respond with confidence.

DIGNITY of LABOUR

As a part of the SEWA Project, the students of Grade 9 undertook a meaningful initiative on the theme “Dignity of Labour.” The project aimed to sensitise students towards the value of every form of work and to help them understand that every individual, irrespective of their designation contributes significantly to the smooth functioning of school and society.

As a heartfelt gesture of gratitude, the students felicitated and appreciated the school's support staff for their dedication, sincerity and tireless efforts by presenting them flowers and clapping for them.

Through their words and interactions, the students expressed their gratitude towards the housekeeping, security and other support staff members who work quietly behind the scenes to make the school a safe, clean and welcoming place for everyone.

The students highlighted an important message that no work is small and no contribution is insignificant. Every person deserves respect, recognition and dignity for the work they do. The activity encouraged students to look beyond titles and positions and appreciate the human effort, commitment and responsibility associated with every profession.

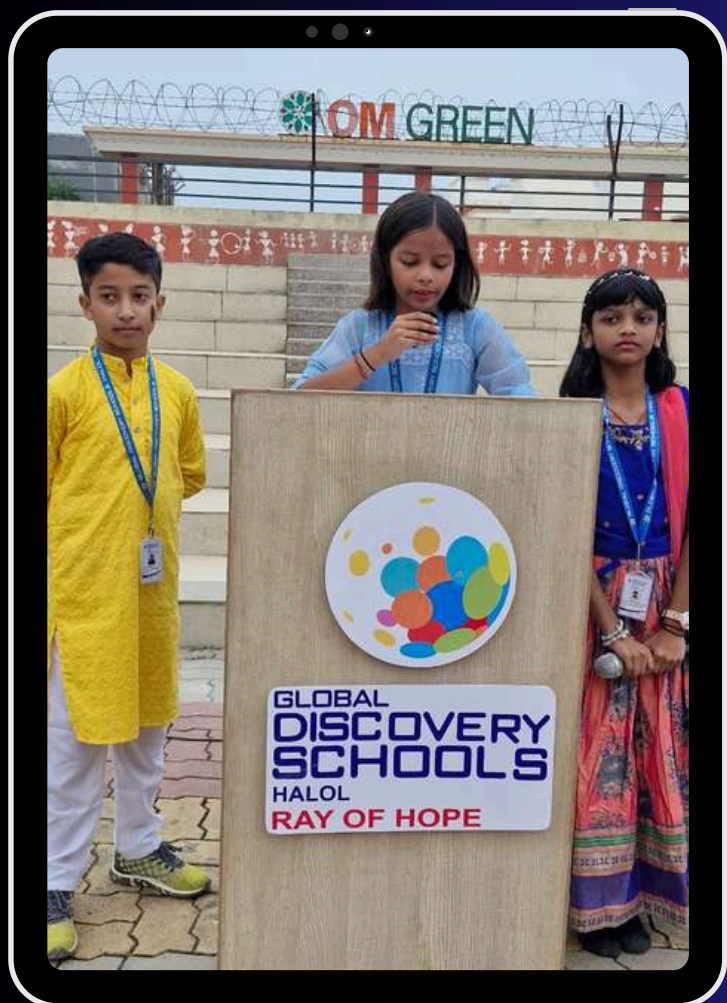

रक्षाबंधन

The spirit of love, affection, and togetherness came alive at GDS-HALOL during a special assembly presented on the auspicious occasion of Rakshabandhan. The assembly beautifully celebrated the cherished bond between brothers and sisters through a thoughtful Thought of the Day, an inspiring speech, and a wonderful dance presentation that glorified the timeless relationship of sibling love.

The enthusiasm of our Grade 2 students added a special charm to the celebration as they participated wholeheartedly in poem recitation and storytelling, showcasing their confidence and creativity. Their innocent yet meaningful presentations beautifully conveyed the essence of love, care, and togetherness.

The atmosphere was filled with joy as the students delivered amazing performances, bringing the festive spirit to life. The celebration was further enriched with creative activities such as Rakshabandhan card-making and a drawing competition, allowing students to express their feelings and artistic talents.

CERTIFICATE DISTRIBUTION

Congratulations!

Our students enthusiastically participated in the Creative Storytelling Competition, turning their imagination into engaging stories and bringing their ideas to life.

Through this enriching experience, students explored their creativity, imagination, communication skills, and expression while learning to present their thoughts with confidence. The activity also helped them develop public speaking skills, voice modulation, body language, and the courage to speak before an audience.

From creating fascinating characters to building exciting storylines and meaningful endings, our young storytellers showcased that learning becomes truly powerful when imagination finds its voice. ✨
