- The Tuition Fee does not include fee for external examination if any, **stationery, learning kit, uniforms**, annual production charges, annual camps, additional subject support/individual learning support ( if applicable), and any other school activity.

- Timely payment of fees by 15<sup>th</sup> of each month will ensure smooth administrative processes and continued access to all school facilities. In case of delayed payment, a nominal late fee of Rs. 100 per day (including holidays) will apply for up to 30 days after the due date. After this period, the student's admission may be reviewed for continuation. Any applicable bank or late payment charges will be adjusted from the student's contingency money.
- To facilitate a seamless transition, withdrawal requests should be submitted by Oct 31 for end-of-first-term withdrawal or by March 31 for end-of-year withdrawal.
- The School Management will regularly review and update the fee structure and related policies each year to enhance the overall educational experience.
- To support activities such as the Annual Camp, photographs, and other related expenses, all students are required to maintain a contingency money deposit of INR 15,000. This amount should be replenished quarterly to ensure it remains at the required level.
