Welcome

*"Productivity is never an accident.
It is always a result of a commitment to excellence,
intelligent planning, and focused efforts"*

Dear Parent,

Greetings!

Mata Bhatee Devi believes that education shapes the character, caliber and prospect of the children. It has the power to cater intensive and critical thinking, sharpening intelligence, and defining character. With a balanced importance given to Scholastic and Co Scholastic Activities the student excel in multifarious dimensions.

We believe in following a balanced approach and plan everything prior as definite plans lead to success in all the endeavors. This Annual Planner for the Session 2023–24 is the roadmap for your ward to excel in Scholastic and Co-Scholastic Activities throughout the session. It will give you a clear understanding of our school operations. Please go through all the aspects carefully and familiarize yourself with its contents. We expect you to come forward and play equally responsible role in the development of your ward as your efforts shall nurture multidimensional developments – the need of the hour.

Looking forward for a fruitful session!

Mata Bhatee Devi
