#### Message from Director

*“Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand.” - Albert Einstein*

*It is a matter of gratification to pen down the message for the news letter of R.A.N. Public School, Bhurarani Branch. When we mention education, it weaves a simple picture in our minds of a student learning and a teacher teaching, but education is beyond the classical perspective as I discern the headway towards various achievements being made at the school.*

*The school magazine is a manifesto for the students to demonstrate their creative tracking which develops in them originally of nation and recognition. The contents of the magazine reflect the wonderful creativity of thoughts and imagination of our students.*

*I extend my warm wishes to each and every member of institution to continue this journey on the road of excellence. As it is well said that "Education is the passport to the future, for tomorrow belongs to those who prepare for it today."*

*My message to the Principal, Teachers, Students and esteemed Parents of R.A.N. Public School Rudrapur is to dedicate this year to a correct understanding of what education really means and let us all benefit from this understanding.*

\*\*\*\*\* May God bless you \*\*\*\*\*

### Poem on Teacher's Day

*It takes a special person  
To teach a child in class.  
To just keep his attention  
In a world that moved so fast*

*To show a child he is unique.  
With talents deep inside  
To help to build his confidence.  
So he can beam with pride.*

*To show a little patience  
For a child who's lost his way.  
To a child who feels abandoned  
Who has seen better ways.*

*To inspire and to motivate  
So a child can learn and grow.  
To go into this big wide world  
Who has its own highs and lows.*

*You are a special person.  
You always give your best;  
And for every child who is in your  
class,  
Their life is truly blessed.*

## *Tricolor Recipe from Mumma's Kitchen (14 August)*

*I want to mirror your image to its  
fullest perfection,  
Never be blind or too old  
To uphold your weighty wavering  
reflection.*

*I want to unfold.  
Nowhere I wish to stay crooked,  
bent;  
For there I would be dishonest,  
untrue.*

*I want my conscience to be  
True before you;  
Want to describe myself like a  
picture I observed  
For a long time, one close up,  
Like a new word I learned and  
embraced,  
Like the everyday jug,  
Like my mother's face,  
Like a ship that carried me along  
Through the deadliest storm.*
