ACCESS AND ADMISSION POLICY

Our Admissions Philosophy

At SDGS, we believe that we should be seeking to find ways to admit students to our school, rather than reasons to prohibit entry. We aim to ensure a diversity of gender, culture, and nationality at SDGS. We recognize that although we strive to admit students, we must ensure the safety and security of all. We will consider the possibility of meeting a child's needs at the school, as we consider a student for admission. SDGS is principally an academic school; we expect students to move from our school either to other international schools, or to further education. We therefore seek to promote ourselves in the community as a school welcoming hardworking, internationally minded, life-long learners.

Shambhu Dayal Global School has rolling admissions throughout the year. This is to facilitate easy accommodation of transfer students from other schools from within the country and from across the globe.

Shambhu Dayal Global School is co-educational, serving students in grades Pre Nursery-12. Admission is open to students who wish to pursue their school studies in a safe and caring learning environment and who meet admissions requirements. Admission information is evaluated to determine if the student is prepared to meet the school's academic and disciplinary standards.

Our School admits qualified students to its programs. The school does not discriminate on the basis of race, color, national or ethnic origin, or disability in the administration of its educational policies, admissions policies, athletic programs, or other programs.

A student who has been expelled from another school, who has not met the academic requirements of his former school, or who, in the view of S D Global administration, has a history of serious academic or behavior problems, will not be admitted.

We welcome the opportunity for prospective students to shadow at our school. Come spend a day seeing school processes through the eyes of a student. In order to begin the process, fill the application form.

Students wishing to transfer from any board or state-approved/ school must complete an admissions application, provide the indicated educational records, and schedule an admissions interview.

- Admissions test (when indicated)
- the admissions interview
- school transcript (Report Card)
