ST. THOMAS SCHOOL, SAHIBABD
HOLIDAYS' HOME WORK 2025-26
CLASS IV
INTERDISCIPLINARY THEME: Imagination Station! Exploring Innovation

GENERAL INSTRUCTIONS:

Dear Students and Parents,

As we step into the holiday season, let's use this time to relax, enjoy with family, and also stay connected to learning in fun and meaningful ways. Below are some general guidelines and instructions for completing the holiday homework:

- Use notebooks or sheets as instructed.
- Write neatly and legibly using pencil or pen (as per class level).
- If using A4 sheet, label all the pages with subject name, your name, class, and date.
- For written work: underline headings, draw neat margins.
- For projects or artwork: keep it clean, colorful, and well-organized.
- Use your own ideas and creativity, especially for drawings, projects, and craft.

This homework is meant to help you revise, reflect, and explore—not to stress you out. Do your best, enjoy the process, and come back refreshed and ready to learn!

Have a safe and happy holiday!

SUBJECT	TOPIC
English	1. Imagine you are in an Innovation station where you can invent anything you want. **On an A4 size sheet, write a short paragraph** about your adventure using the following points: (a) What have you invented? (b) How did you come up with the idea? (c) How can your invention bring a change in the world? 2. Make a model of your invention using waste products. 3. Revise all the work done in class.
Hindi	अपनी कल्पनाशीलता के आधार पर 'धन के अपव्यय' को रोकने के लिए अपनी उत्तरपुस्तिका में एक आकर्षक विज्ञापन बनाते हुए पाँच पंक्तियाँ लिखिए	
Mathematics	**Do the following activity and worksheet in Mathematics notebook.** **PROJECT WORK:** Collect different type of waste items from your home/locality (plastic, newspaper, metal, glass etc). Estimate the weight and value of each item in tabular form and prepare the bill using current market rate to calculate the earning.(Do this in Maths Activity notebook) Q. 1 Fill in the blanks: a) Largest 5- digit number +1 = _____ b) The successor of the greatest 5-digit number is _____. c) 8 lakh + 5 thousand + 2 hundred + 6 tens + 5 ones = _____ d) The successor of the 587999 is _____. e) Predecessor of 2643500 = _____ f) _____ × 10= 1500 g) 50 × 40 = _____

	h) 100 × _____ = 60000
	 i) Smallest 6-digit number using 5 different digits is _____.
	 j) 1 lakh = _____ thousands
	 Q.2 Write the numeral:
	 a) Forty six thousand two hundred forty five. _____
	 b)Thirty five lakh three thousand forty. _____
	 c) Ninety lakh sixty thousand four hundred three._____
	 d) Sixty eight thousand nine hundred ninety nine. _____
	 Q.3 Find the number which is:
	  a) 45 less than 5650 _____
	  b) 5 times 315 _____
	  c) 12 more than 248 _____
	  d) Half of 900 _____
	 Q.4 Fill in the blanks using >, < or =.
	   a) 360 + 400 _____ 700 b) 9199 – 99 _____ 9000
	   c) 8401 _____ 8000 + 40 + 1 d) 6377 _____ 6380 – 3
	 Q.5 Arrange the numbers in descending order:
	   a) 35216, 43218, 34213, 32321
	   b) 93520, 93618, 39260, 39098
	 Q.6 Write the number name according to Indian system of numeration.
	 a) 3450642
	 b) 5045976
	 c) 283025
	 d) 8010065
	 Q.7 Make the greatest and smallest 5-digit numbers using the given digits:
	
	        Digits greatest number smallest number
	       2, 6, 3, 4, 5 _____ _____
	       3, 0, 8, 9, 7 _____ _____
	
	 Q.8 Write Roman numerals for the following:
	 48 _____ 76 _____
	 95 _____ 69 _____
	 Q.9 The number 938752 is given. Interchange the digits at thousand and hundred places. Find the difference between two numbers.
	 Q.10 Find the sum of place value and face value of 8 in 9843290.
	 Q.11 Cost of one fan is ₹ 1240. Find the cost of 35 such fans.
	 Q.12 A man saves ₹ 750 per month. Find his savings in 2 years.

Social Studies	**<u>Do these questions in your social studies notebook:</u>** 1. Define: waste to wealth. 2. Differentiate between recycling and upcycling (write any five points). 3. List any four upcycling ideas which you can try yourself at home and paste pictures of any one of them.
Computer	1. Choose any one storage device, collect different pictures of it, and make a beautiful collage and paste it in your computer notebook. 2. Create a digital poster in MS Word on any one of the following topics, take a print out, and paste it on your notebook. **<u>Topics: My Dream Vacation, Save the Earth, My Favourite Animal, Healthy Habits, A Visit to the Moon.</u>**

G.K	Design and draw your dream home. Label its different parts like rooms, garden, eco-friendly features (solar panels, rainwater harvesting, etc.) and anything unique you would like to add. Then write a short paragraph describing what makes your dream home special and how it is good for people and the environment. **<u>Do it on an A4 size sheet and paste it in your notebook.</u>**
Value Education	Create a drawing or a collage that shows a scene where values like kindness, honesty, empathy, or teamwork is being practiced. Then, write a few lines explaining the value shown in your artwork and why it is important in daily life and paste in your note book.
Art and Craft	**Make a creative photo frame of A4 size.** **Draw and colour your portrait and paste it inside the frame.**
Music	1. Learn School Anthem given in the School Almanac. 2. Paste six pictures of Female singers from Bollywood and draw a picture of a musical instrument in your music note book. 3. Learn songs from your music note book.
Science	**Waste-to-Wonder Challenge!** Every piece of waste has a potential! Your challenge is to think like an inventor and find a new and exciting use for something that is usually thrown away. Can you create something practical or solve a small household problem using waste materials? **Presentation tips:** • Summarize the benefits of converting waste to wealth in your science notebook. • Show actual products made (e.g. plastic bottles turned into flower pots etc.) You can paste before and after pictures **<u>in your Science notebook.</u>**
