MILLENNIALS

Ms. Monica Khurana
Principal

Dear Parents, Students and Staff,

Celebrating six months of Academic Excellence and Achievements at TMS Surat

As we step into the third quarter of this Academic Year, I am thrilled to share the remarkable progress and achievements that have defined our journey thus far. It's with great pride that I commend the dedication and resilience displayed by our school community.

Our students continue to be the shining stars of our school, exhibiting immense dedication and passion for learning. Their accomplishments in various spheres—academic, artistic, athletic, and beyond—reflect their hard work and commitment. Contributing at district and national levels in various competitions and initiatives, like Sports, Olympiad, Safal, CBSE cluster, Kalakriti, etc. is indeed an accomplishment that requires dedication and persistent effort. The path to such recognition is paved not just with talent, but with consistent practice, resilience, and a passion to constantly improve.

Additionally, I want to thank you, our Parents, for your continuous encouragement and involvement in your child's education. Your partnership is invaluable in our collective pursuit of excellence. I extend my heartfelt gratitude to all parents for the success of two major events – the "Think Today, Change Tomorrow" Fair and the special fair on Children's Day. Your active participation and support have made these events truly memorable and impactful.

Aligning to our school's vision of fostering holistic development, we are introducing new initiatives like Scouts & Guides and Amira Learning. We have initiated the Scout and Guide programs for children from Class VI and above. These programs have a long-standing tradition of empowering young minds, nurturing leadership skills, and fostering a strong sense of community among our students. For our younger learners, we have introduced an AI-based reading tool program, 'Amira Learning' to enhance their reading and speaking abilities. This initiative aims to foster a love for reading from an early age.

As we continue to progress through the Academic Year, I am confident that with your continued support, our school will achieve even greater heights. Thank you for entrusting us with the education and development of our children.

Regards.

ANNUAL PRINCIPALS' CONCLAVE 2023

In a prestigious ceremony - Annual Principal's Conclave 2023 organized by Millennium Group of Schools, The Millennium School - Surat secured two distinguished awards: the 'Millennium Powerhouse Award' and the 'Leadership Award.' These accolades not only reflect the exceptional dedication of the school but also underscore the alignment with its visionary mission.

TMS-Surat has long been a beacon of educational excellence, and these awards mark yet another milestone in its journey. The 'Millennium Powerhouse Award' recognizes schools that have consistently demonstrated innovation, progress, and unwavering dedication to academic excellence. It's a testament to the relentless pursuit of knowledge and skill development at the institution.

The 'Leadership Award,' on the other hand, highlights the exceptional leadership within the school, particularly its commitment to shaping future leaders. TMS has consistently encouraged students to take on leadership roles, fostering a sense of responsibility and community engagement. This award serves as recognition of the school's continuous efforts to mold young minds into future leaders.

One of the striking aspects is how these awards perfectly coincide with The Millennium School's overarching vision. The school has always aimed to provide a nurturing environment where students can develop academically and personally. These awards validate the school's commitment to preparing students for the challenges of the 21st century.

Our Principal, Ms. Monica Khurana, the driving force behind TMS-Surat's success, was effusive in her gratitude and highlighted the contributions of the dedicated teaching and administrative staff. She stated, "These awards are a testament to the collective effort of our students, teachers, parents, and staff. It shows that when we work together with a shared vision, we can achieve great things."

The presence of esteemed Principals of The Millennium Schools from across India and the attendance of the Millennium Group of Schools' top executives, Mr. Raman Bajaj, Ms. Geetika Bahuguna, and Mr. Arshad Naim, along with other dignitaries, added grandeur to the event and underlined the significance of these achievements.

These achievements serve as a reminder that TMS-Surat continues to be a torchbearer of educational excellence, setting an example for schools nationwide.

WINNER OF PSYCHEd - A PSYCHOLOGY QUIZ

"An investment in knowledge pays the best interest"
The Millennium School Surat proudly shares the achievement of our students of Classes XI and XII participated in PsychEd - A Psychology Quiz, an initiative by Fortis Healthcare Hospitals.
It was indeed a beautiful journey, with 4 teams competing to one team qualifying for Zonals which was scheduled in Mumbai on 14th October.
Our children helped us shine with being the first runner-ups. Interacting with almost 800+ schools, with a tough beat to follow against zonal teams, students awed us.
We would like to congratulate them for shinning bright and high.

Drumroll Please!!!

Congratulations to dear Saumil Metawala of Class IV for securing gold medal in 11th Open Gujarat State KUDO Tournament 2023-2024.

The event was conducted and organized by Gujarat Sport Kudo Association - GKA.

Saumil won the gold medal for the U-10 Boys category.

Hooray for our champ!

Our student, Janav Shah of Class V, participated in the Under 15 age group -The Surat Inter School Chess Competition 2023 and secured second runner up position and got selected for zonal level.

Team TMS and school management extend their Heartiest Congratulations to the student for his noteworthy achievement!

SCOUT AND GUIDE

Scout and guide students of The Millennium School, Surat embarked on a three-day Scout and Guide training camp in Mahuvan, Bakor. During their stay, they honed knot-tying skills, embraced teamwork, and sharpened problem-solving abilities. Cultural awareness blossomed around the campfire, while hiking adventures fostered physical strength. Oral exams and medical sessions ensured a well-rounded experience, promoting mutual respect among participants. It was a hands-on opportunity to apply what they had learned in school during their Scout and Guide classes.

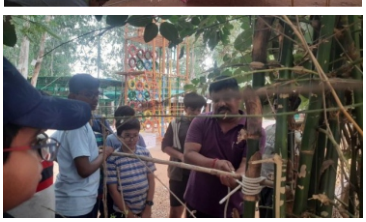

SPECIAL SESSION WITH - MS. ANUJA AMIN

SAFER SMARTER YOU

(Session 1)

In this ever-evolving digital era, ensuring the safety of the learners, TMS-Surat organized a fruitful and significant session for the students of classes VI and VII on "Cyber Safety" and classes IV and V on "Safer & Smarter You" by Ms. Anuja Amin who founded Circles of Safety - an initiative to educate and empower children, teachers, parents, and the community.

The sessions were much interactive and they covered many essential aspects of cyber safety which aimed to empower our learners to make responsible decisions while using the technology.

Students of classes IV and V understood the importance of how to be always kind, stopping bullying, and how to grow to be respectful, confident, and responsible adults.

It was indeed an informative, well-executed session that was loved by our learners.

SPECIAL SESSION WITH - MS. ANUJA AMIN

UNDERSTANDING PERSONAL SPACE

(Session 2)

Our students of class IV to VIII attended an insightful session on 'Understanding Personal Space.' by Ms Anuja Amin, an expert in interpersonal communication.

She enlightened our students about the importance of personal space in our daily lives. Her engaging talk covered everything from the factors that influence personal space preferences to practical tips for respecting others' boundaries. Our students left the session with a better understanding of this crucial aspect of human interaction.

CBSE TEACHERS' TRAINING

CBSE Teachers' Training Highlights!
A transformative session on " School Libraries" led by the dynamic duo, Mr. P P Jose, the principal of Hills High school, Surat and Ms. Nirali Dagli, the principal of Kalorex Future School. left our educators inspired and empowered!
Key Takeaways:
- Innovative Library Practices: Exploring new-age techniques to make our school libraries dynamic and engaging hubs of knowledge.
- Reading Culture Reinforcement: Strategies to foster a love for reading and critical thinking among students.
- Technology Integration: Leveraging digital resources to enhance learning experiences within the library.
- Hands-on activities and collaborative discussions ensured that our teachers left equipped with practical tools to implement in their classrooms.
A heartfelt thank you to Mr. P P Jose and Ms. Nirali Dagli for their expertise and passion in making our school libraries vibrant spaces for learning and exploration.
Let's embrace these insights and collectively elevate the reading culture at TMS!

TEACHERS' TRAINING BY - MR. HARWANT SINGH

TMS always believes in providing continous professional development to all its facilitators.

On similar lines, Our facilitators were trained by Mr. Harwant Singh from MEM, Noida on 'Differentiated Instructions'.

As we know the fact that each child is unique and thus their learning needs too differ, so to cater to their learning needs, teachers need to plan differently involving various strategies as per the multiple intelligences of the learners. Through this, facilitators developed analysis, Inter and intra-personal, and presentation skills based on Bloom's taxonomy. The training and mentoring were highly effective as it was a new learning experience for all the facilitators.

Students' Book Donation Drive
SDG 4 - Quality education

In an inspiring initiative, class IV students of TMS have come together to organize a book donation drive which aimed to make a meaningful impact on the learning environment of school.

The students took the initiative to spread awareness about 'SDG 4 Quality education' and collected more than 300 books from their neighborhood and reached out to one Government school - Segvachchama Primary School, Surat where they interacted with the students and shared their learnings.
This initiative not only enriched the school's learning environment but also helped instill valuable life lessons in empathy, collaboration, and leadership.

The success of this book donation drive inspired the students to consider more community-centric projects in the future.

ENTREPRENEURS OF THE MILLENNIUM

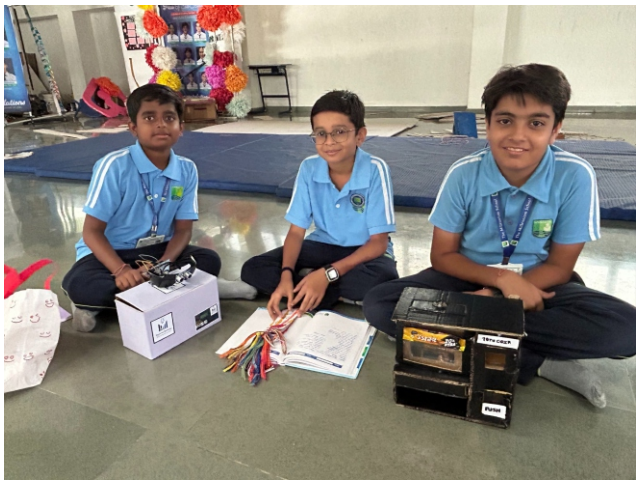

"The success of the young entrepreneur will be the key to India's transformation in the new millennium "

Our learners of VI to VIII have proved this quote true, by their tremendous skills of entrepreneurship through presenting groundbreaking business models, which enhanced their skills in sales techniques, and marketing strategies and helped build leadership qualities in them.

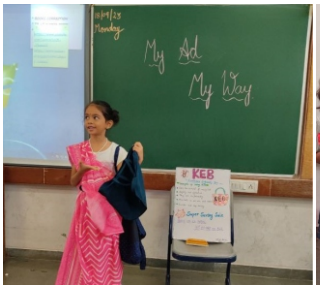

MY AD MY WAY

"My Ad My Way" competition was an exciting and creative opportunity for students of classes I to V to showcase their imagination and advertising skills. Allowing young minds to create their advertisements was a great way to foster creativity and critical thinking. This competition encouraged our children to think outside the box but also helped them develop communication and presentation skills. It gave them an excellent platform for nurturing future marketers and advertisers.

KIDS BOOT CAMP-

Mr. Nakul Patil

The Kids Boot Camp at The Millennium School was a fantastic event filled with energy and excitement!
Under the amazing guidance of Mr. Nakul Patil - a Certified Personal Trainer from Pro Safe Fitness Academy Mumbai, this event was indeed a phenomenal success which inspired our kids to embrace an active and healthy lifestyle!

Highlights:
- High-energy workouts that left everyone smiling and sweating!
- Team spirit at an all-time high with awesome group activities.
- Challenges conquered, new skills learned, and confidence levels soaring!
- Let the memories of this adventure fuel your enthusiasm for future endeavors!

GUEST SPEAKER

STORY TELLING SESSION-

Mr. Parth Kotia

A dynamic storytelling session by Mr. Parth Kotia - a story enthusiast from NIAA Creations was organized for our students of Classes I and II.

The entire session was enchanting, weaving tales with engaging voice modulations. Through varied pitch and tone, he created a dynamic atmosphere, fostering a love for stories in these young minds.

GUEST SPEAKER

MENSTRUAL HYGIENE SESSION-

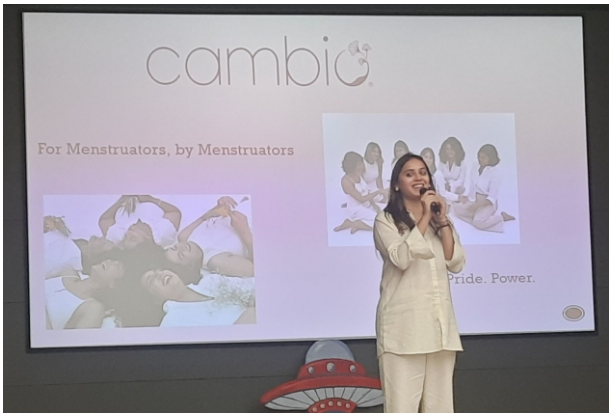

Ms. Bhagyashree & Ms. Soni Mittal

Educating young learners of classes VI to IX about menstrual health - an essential step towards empowering them with this crucial knowledge, TMS-Surat acknowledges Ms. Bhagyashree and Ms. Soni Mittal for conducting this awareness program.

Building confidence and clarity regarding menstrual health and hygiene is invaluable at this stage of their lives. Our students were introduced to information about various menstrual products such as biodegradable pads, menstrual cups, and tampons, which can help students make informed choices for stress-free and comfortable periods, ensuring they understand and have access to different options available in the market.

Such an initiative has played a vital role in creating awareness, fostering confidence, and ensuring a more inclusive and informed environment for young learners, positively impacting their well-being.

GUEST SPEAKER

MATHS TED TALK-

Shree M.S. Solanki

Exciting Day of Mathematical Magic at The Millennium School, Surat!

We had the privilege of hosting an incredible mathematician, Shree M.S. Solanki, at our school today. Shree M.S. Solanki, a renowned mathematician, and educator, wowed our 6th and 7th graders with his extraordinary mathematical talents!

With a career spanning over two decades, Mr. Solanki has dedicated his life to making mathematics fun, engaging, and accessible for students. He is known for his innovative teaching methods and has a deep passion for cultivating young mathematical minds.

During his visit, Mr. Solanki shared a plethora of math tricks, mind-boggling puzzles, and interactive activities that left our students astounded. The room was buzzing with excitement and curiosity as they delved into the world of numbers and logic.
Our young learners not only had an entertaining experience but also gained valuable insights into the beauty of mathematics.

GUEST SPEAKER

MYTHOLOGY: MY HEART'S FAVORITE

Have you ever heard of amazing stories about powerful gods, heroes, and magical creatures? That's the world of mythology, something that I love! It's a place where the past meets the future, where curiosity leads to knowledge, and where stories help our imaginations grow.

What is Mythology?

Mythology is like a treasure chest filled with incredible stories that connect us to our past and teach us important things for the future. But how did I get so interested in this topic? Well, it all started with my questions about why we celebrate festivals, who these gods and goddesses are, and the stories I heard at home. Mythology is not just about exciting stories; it's also about teaching us important lessons. It tells us **why** blessings are important, like in the story of Ramayana, and why being selfish can be a problem, as King Midas found out. These stories help us understand our culture. As a young person, I used to wonder why it's essential to know our culture. The answer is simple: when we know, respect, believe, and pass on our culture to the next generation, we keep our roots strong. One myth that's close to my heart is the story of Holi. It taught me that negativity and anger can hurt us and the world around us. On the other hand, kindness, love, peace, and positivity can help us create a better and more positive world. Mythology is not just stories; it's the heart of our culture.

Leaving you with some questions **to think about** as we explore the magical world of mythology, Can these old stories help us make our future brighter? How can we make sure that these ancient tales keep guiding us to create a better world for everyone?

ONE DARK NIGHT

One dark night
While looking out of my window, staring to the sky
I was thinking who makes you this much high?

While watching white enormous moon,
I was thinking who makes the moon so cool?

While trying to count those twinkling stars.
I forgot how long I count so far?

How chandrayan has landed on the moon?
Now I want to be an astronaut
And will land with another chandrayan soon.

There I will ask the moon,
Who changes your shapes so soon?

On the moon,
I will see is the moon really so bright and white?
Now I want a superpower to have a far sight.

With which my sight can reach to different planet,
Why do I feel like somebody is snatching my blanket?

On the moon it's now I feeling so cool,
Oh!! It's time to go to school.....

nor can we blame others,
but when I look back, it still rings a bell,

सपना – एक गहेरी नींद की कहानी

सपने तो हम रोज़ देखते है,
कभी दिन के उजाले में तो कभी,
रात की गहरी नींद में,
कभी आँसुओं वाले,
तो कभी मुस्कुराहट वाले,
कभी डराने वाले,

तो कभी समझाने वाले।

मगर कभी वो एक ऐसा सपना आता है,
जो पूरी सोच बदल देता है,
एक नया धागा जोड़ देता है,
कई सवाल जगा जाता है,
तो कई नई बातें करा जाता है,
कई रिश्ते सुलझा जाता है,

तो कई जवाब उलझा जाता है।

मैंने भी एक ऐसा सपना देखा है,
सच नहीं है वो मन जानता है,

मगर दिल को बड़ा पसंद आया है।

दोनों की जुगलबन्दी में किसकी सुने पता नहीं,
मगर सपना बड़ा प्यारा लगा,
ये तो दोनों को पता है!!!!!!!!

मुश्किलें तो आएगी पर अब मैं अपना रास्ता निकालना जानती हूँ,

क्योंकि अब मैं हिम्मत नहीं हारती हूँ।(2)

अब मैं यह भी समझ जाती हूँ कि उस खुदा ने कुछ किया है तो वह क्यों किया है?
शिकायत करती हूँ और अक्सर मुस्कान को आँसू से हार भी जाने देती हूँ,

पर हाँ, अब मैं हिम्मत नहीं हारती हूँ। (2)

उस खुदा की बात करते करते यह ख्याल आया है कि हिम्मत नहीं हारना तो,

उस जनम देने वाली माँ ने तो सिखाया है।

POWER OF QUESTIONS....

A question is a fundamental part of **good communication**.

The one who asks questions **leads the debates**!

Why do children ask open ended questions?

- Because they want to know everything.

Why do adults ask close ended questions?

- Because they think they know everything.

How to ask 'good' questions?

1.Its form=
Understand—-- exchange—--- encourage to reflect
Open ended question-
How, Who, What, why, How much, where, When?
Validate—---Eliminate doubt—----incite to action
Close ended question-
Do you agree? Have you got it?

2. Its preparation=

- State the goal, encourage
- Guarantee its efficiency, its purpose, its relevance.

By questioning , I push that person to question him/herself.
"How can you improve what you are doing?"

मातृभाषा और राष्ट्रभाषा में ,
जो अंतर गहरा पाया है।
'वसुधैव कुटुम्बकम्' की परिभाषा को
समझने का वक़्त आया है।
इस विश्व संसृति के उपवन को ,
निज भाषा से महकाना है।
हम शिक्षक है ,हम शिक्षक है ,
हमें सशक्त भारत बनाना है॥

POEM

હા...ઉડાન ભરી છે મેં...

ઉડવા માટે આજે ઉડાન ભરી છે મેં
સફળતા મળે કે ના મળે,
પ્રયત્ન નાં જોરે દિશા મળી છે મને...
હા..સફળતા મળશે જ મને...
જો કદાચ.. નિષ્ફળતા મળે મને
તોય કોઇ હરખ- શોક નથી મને
નિષ્ફળતાના પાયામાં જ સફળતા સાંપડે
તે ખાતરી છે મને...
તેથી જ તો, ઉડાન ભરી છે મેં...
કોઇનો સાથ કે સહકાર હોય કે ન હોય
તો પણ પ્રયત્ન ના જોરે ઉડાન ભરી છે મેં
મેં જે ધાર્યું, તે લક્ષ સાધવું છે મને ...
માર્ગ કપરો હોય ભલે.. તો પણ...
આત્મવિશ્વાસના અજવાળે ઉડાન ભરી છે
મેં...
હા...ઉડાન ભરી છે મેં...
સફર લાંબી છે જીવનની...પણ
હસતા હસતા તય કરવાની
ઉડાન ભરી છે મેં...
સફળતા ને પામવા મથતો હું
જરૂર હું પામીશ ધાર્યું એ ...
એ માટે જ તો ઉડાન ભરી છે મેં ...
હા...ઉડાન ભરી છે મે..
