Ms. Monica Khurana **Principal**

Dear Esteemed Stakeholders,

As we embark on a new academic year, I extend my heartfelt gratitude to each of you for your unwavering support and trust. Your belief in our vision and dedication to our students have been instrumental in our past achievements, and I am confident that this year will be no different.

Last year, our students demonstrated exceptional talent and hard work, culminating in our school being named the city topper. This accomplishment is a testament to our collective efforts and the high standards we set for ourselves. Many of our students have secured admissions to prestigious universities, a milestone that fills us with immense pride and joy. We celebrate their success and look forward to seeing what they will achieve in the future.

As we move forward, we are excited to implement a new educational system designed to equip our students with 21st-century skills. This system focuses on critical thinking, creativity, collaboration, and communication – essential skills for thriving in today's dynamic world. I am confident that this approach will not only enhance academic excellence but also foster holistic development, preparing our students to become global citizens.

Our goal for this year is to continually improve and elevate our educational standards. We are committed to providing our students with the best possible platforms for learning and personal growth. Our dedicated team of educators and staff will play a crucial role in uplifting the school, culture, and vision. As a leader, my vision is to see our children reach new heights, empowered by knowledge, creativity, and confidence. We will continue to innovate and adapt, ensuring that our school remains at the forefront of educational excellence.

Thank you once again for your continuous support and trust. Together, we will create an enriching and nurturing environment that enables our students to achieve their full potential.

Warm Regards.

Teachers

Teachers
Paint our minds
And guide their thoughts
Share their achievement
And advice their false
Inspire a love
Of knowledge and truth
As you light the path
Which leads to our youth
For our brighten future
With each lesson you teach
Each smile you lengthen
Each goal you help us reach
For the dawn of each poet
Each philosopher and king
Being with a teacher
And the wisdom they bring!

My Dad

My dad is like a guiding star,
He helps me dream, he helps me far.
My dad is strong, my dad is kind,
He's always there with love in mind.

I love you DAD with all my heart,

My Precious Feeling

The precious feeling of being a teacher knows no boundaries. To shower and sprinkle all goodness and love knows no bounds. While 'how to teach' and 'what to teach' may always be a question, a teacher instinctively knows the way. With joy and pride, she navigates her tiny army, aware that these young souls are embarking on an endless learning journey. Though she may not be their mother, trust me, she is their biggest cheerleader, dedicated to enhancing their lives. Being a teacher is a badge of honor that only my heart truly understands, and what an immense joy it is to be a teacher!

Social Media a Blessing or Curse?

Social media's a tool, don't let it rule your mind,
Stay grounded in reality, and leave the noise behind!

Likes and shares, a virtual game,
But true connections are the ones that remain!

Let's not get lost, in the digital space,
And forget to live in the human race!

Screens glow bright, but life's in sight,
Let's live in the moment, and not just in the night!

Virtual friends, may be many to count,
But true friends are few, and worth more than a mountain."

The virtual world's a dream, where we can get trapped,
But true reality lies in the love that we have mapped.!

Therapy: need of the hour

Mental health illnesses have been on the rise since Covid 2020. A lot of people are going through mental issues creating a solid impact on our mind, body, and Soul. People struggle to do their daily tasks and often feel fatigued by the end of the day.

Now that we have enough awareness about prioritising mental health & it's no longer a taboo, we still don't see people seeking therapy. Regular therapy sessions with a reputed counsellor will help us get a third-party view of our problems and a guiding hand for the solutions.

Almost more than 3500 years ago, when the battle of Mahabharata happened, the great Yoddha Arjuna faced turmoil before commencing the battle. The holy book of Bhagavad Geeta mentions the conversations between Lord Krishna and Arjuna which is his counselling session.

The inner conflict of Arjuna (**counselee**) to battle with his own family, relatives, and Gurus puts him into immense guilt, grief, sorrow, fear, and anxiety (**cognitive distortions**) so that he puts his weapons down and refuses to fight the war. Lord Krishna (**the counsellor**), understanding the mental trauma, came to Arjuna's rescue by guiding him with a rational approach.

Lord Krishna made Arjuna aware of his capacity, teaching "detachment", keeping no expectations from the war, and abiding by his duties and the rest was history (**successful counselling session**). Similarly, whatever problems that we have in our life we can seek help to get out of them with Counselling.

So if Arjuna, the great warrior, full of intelligence and wisdom can need help (**therapy session**) then who are we and what are we waiting for??

मन बहुत सोचता है कि उदास न हो

पर उदासी के बिना रहा कैसे जाए?
शहर के दूर के तनाव-दबाव कोई सह भी ले,
नील आकाश, तैरते-से मेघ के टुकड़े,
खुली घास में दौड़ती मेघ-छायाएँ,
पहाड़ी नदी : पारदर्श पानी,
धूप-धुले तल के रंगारंग पत्थर,
सब देख बहुत गहरे कहीं जो उठे,
वह कहूँ भी तो सुनने को कोई पास न हो—
इसी पर जो जी में उठे वह कहा कैसे जाए!
मन बहुत सोचता है कि उदास न हो, न हो,
पर उदासी के बिना रहा कैसे जाए!

ज़िन्दगी के रंगमंच पर,
तू हर किरदार बखूभी निभाती हे,
ए नारी तुजमे अपार शक्ति हे,
तू क्या नहीं करती हे,

कभी माँ बनकर घर की
ज़िम्मेदारिया उठाती हे,
तोह कभी बेटी
बनकर प्यार लुटाती हे,
कभी बेहेन बनकर
गलतिया छुपाती हे,
तोह कभी दोस्त
बनकर साथ चलती हे,

न जाने कितने रिश्ते तू
युही दिल से निभाती हे,

ए नारी तुजमे अपार शक्ति हे
तू क्या नहीं करती हे !
